Dear counsel,

Pursuant to your obligations under Rule 16 and *Brady*, please disclose all information related to the unedited Intercontinental Hotel video footage, including information about its current location, and the identity of any person(s) who possessed, manipulated, destroyed, or leaked the video to CNN. Please also disclose the government's efforts to locate this evidence. As you are aware, the unedited video is important *Brady* evidence, and we need additional information to locate and obtain it in advance of trial. The identity of the person(s) who manipulated, leaked, and/or destroyed the video is likewise *Brady* – especially if it is a government witness or someone acting at the direction of a government witness.

Also, if you believe there is relevant material in the discovery already produced, please point us to it.

Please reach out if you have any questions or wish to discuss further.

Thank you,
Anna
